

WHO: The Windstar Foundation

WHAT: **2012 Volunteer Work Weekend!**

WHERE: Windstar Land Conservancy, 2317 Snowmass Creek Road, Snowmass, Colorado

WHEN: May 25-28, 2012

HOW: Please register below!

\$60 Registration Fee includes: three nights camping on the WLC property with use of the farmhouse kitchen and conference room, and compost toilet; dinner Friday night; breakfast & lunch on Saturday (dinner on your own in Aspen, Basalt or Carbondale!); breakfast, lunch & dinner on Sunday, and breakfast on Monday, plus a commemorative t-shirt!

Please register by May 4th, so we can get a head count for meals and make sure everyone has a place to camp. Tents or sleeping bags will not be provided, but camping is permissible in the conference room.

For non-campers, the Days Inn in nearby Carbondale is offering a discounted rate (\$90/Friday & Saturday, and \$80/Sunday). Call: 970-963-9111 and use Code: Windstar Foundation when making reservations. Other lodging options are available by visiting: www.carbondale.com.

Besides two full days of getting your hands dirty for a good cause, you will have one night to dine on your own, and music around the campfire on Sunday night. Note: transportation will not be provided, but carpooling is encouraged!

Chores to accomplish include: planting the green house, staining outdoor benches and picnic tables, repairing and otherwise reinforcing the stairs leading to the meditation platform, weeding the Spirit statue and biodome areas, and collecting trash on our adopted section of Highway 82. We will also need help cleaning and organizing the on-site storage closet, trailer and cabin office space.

This is an important weekend to realize Windstar's 2012 vision to encourage visits and use of the land, and everyone of all ages and abilities is invited!'
